To Whom it May Concern,

Regarding Al Vishnevetsky, I would like to state the following. I have had the opportunity to know Al since the end of last year. During that time I observed him working with his clients at the gym I belong to. He always held himself to be very professional in his work. His character and work ethic are first rate, which is the reasons why when I sought to contract a trainer, I chose Al. Because of the way Al handles his business I would not hesitate to give him good reference for any endeavor he may have.

If you would like to contact me regarding Al, please do not hesitate.

Respectfully,

James Cox
